Please join us at the 2009 U.S. India Business Conference. This conference, hosted by the U.S. India Chamber of Commerce – Midwest is designed for Indian business people working in the U.S. Midwest as well as individuals from U.S. firms engaged in business with Indian companies. The program will be a combination of the political and private sector perspective engaging speakers from a cross section of companies and focusing on the telecommunications, aviation and retail industries.
